

# Woolwich Dock and Parklands

The magnificent Woolwich Dock, carved into the sandstone cliff-face, is open every day from sunrise to sunset. The walking track starts opposite the Woolwich Pier Hotel on Gale Street and steps down through the Goat Paddock which offers magnificent views over Sydney Harbour. It then crosses over the dock via a temporary bridge and continues along the waterfront to connect up with Clarkes Point Reserve. From there you can walk through the Horse Paddock to Kelly's Bush.
