### Harbour Trust welcomes new Middle Head Market to Mosman

Kicking off Wednesday 23 October 2019, the Harbour Trust welcomes the Middle Head Market to Middle Head, Mosman.

Launching during the Festival of Mosman, the Middle Head Market will operate every Wednesday from 8am until 2pm. The new local market invites visitors to enjoy a pleasant country style market atmosphere and breathtaking views of the harbour.

These community markets offer everything from fresh organic fruit and vegetable, gourmet and seasonal produce and artisan products.

Mary Darwell, CEO of the Harbour Trust, said the Middle Head Market will breathe new life into this important precinct at Mosman.

“The Harbour Trust is delighted to partner with Organic Food Markets,” said Ms Darwell.

“Middle Head Market will become part of our community and a weekly tradition where locals and visitors can shop and connect,” she said.

Stephen Choularton, Director of Organic Food Markets, said Middle Head provides a picturesque location for this new community market.

“Organic Food Markets prides itself on providing both certified organic and conventional fruit and vegetable and artisan products to the community. Middle Head, with its lush bushland and strong community ties, is an ideal place to showcase our offering,” said Mr Choularton
