We acknowledge the Cammeraygal People, the Traditional Owners and Custodians of these lands. We pay our respects to Elders, past and present and emerging.

## The Gasworks

In 1876, a gasworks was established at the site to convert coal into energy for the residents of the North Shore. The gasworks operated for more than 50 years, finally closing in 1932. The ageing gasworks had become too expensive to run and it was unable to compete with more modern facilities.
